SUMMARY

A skilled web developer with expertise in designing, coding, and maintaining websites and web applications. Proficient in HTML, CSS, JavaScript, modern frameworks, and Python programming. Seeking to leverage my proficiency in these technologies to contribute to innovative projects and deliver seamless user experiences.

SKILLS

- Python
- HTML, CSS
- React.js
- JavaScript.
- MySQL.

EXPERIENCE

Chipsy IT services Pvt Ltd   **May 2024– June 2024**
Front End Web development Intern

- Contributed to project analysis and the software development lifecycle during my tenure.
- Recognized for excellent performance in developing software solutions aligned with organizational goals.

Varcons Technologies Pvt Ltd   **Aug 2023 – Sept2023**
Full stack web development Intern

- Develop a 'Template for Property Listing Website'. Enhanced proficiency in front-end and back-end technologies, data-driven UI/UX design, and project management. Received commendation for exceptional problem-solving skills and teamwork.

PROJECTS

E commerce website

- Created a responsive e-commerce frontend website using HTML, CSS, and React.js. Designed and implemented user-friendly interfaces, including product listings, shopping cart, and checkout features. Optimized performance and ensured seamless integration with backend services.

Music Player Website

- Developed a dynamic music player website featuring user authentication. Implemented a responsive frontend with HTML, CSS, and JavaScript, and connected signup/login functionalities to a MySQL database using PHP. Delivered a seamless music streaming experience with secure user management.
